Contents

Volume 33 · Part 1 · March 1986

Why do Cuckoos *Cuculus canorus* use so many species of hosts? *Nick Riddiford* 1

The size of minnow prey in the diet of young Kingfishers *Alcedo atthis*. *Paul Raven* 6

Diet and ecology of Short-eared Owls *Asio flammeus* breeding on heather moor. *John Lawton Roberts and Neil Bowman* 12

The breeding Teal (*Anas crecca*) of a coastal raised mire in West Wales. *A.D. Fox* 18

Changes in the breeding population of a small clay river following flood alleviation works. *Paul Raven* 24

The diet of Dippers *Cinclus cinclus* wintering in the catchment of the River Wye, Wales. *S.J. Ormerod and Stephanie J. Tyler* 36

Erratum 45

Reproductive success and the location of the nest site in the territory of the Herring Gull *Larus argentatus*. *J. Graves, A. Whiten and P. Henzi* 46

The moult of Claucous Gull *Larus hyperboreus* and Iceland Gull *Larus glaucoides* in Disko, Greenland. *Karsten Andresen and Lars Thomas* 49

Studies on a colony of colour-ringed Herring Gulls *Larus argentatus*: I. Adult survival rates. *J.C. Coulson and J. Butterfield* 51

Studies on a colony of colour-ringed Herring Gulls *Larus argentatus*: II. Colony occupation and feeding outside the breeding season. *J.C. Coulson and J. Butterfield* 55

Review 60

Volume 33 · Part 2 · June 1986

Why do Curlews *Numenius* have decurved bills? *N.C. Davidson, D.J. Townshend, M.W. Pienkowski and J.R. Speakman* 61

Curlew's *Numenius* bills: some anatomical notes. *P.J.K. Burton* 70

Information on the diet of the Stone Curlew *Burhinus oedicnemus* in Doñana, southern Spain. *Juan A. Amat* 71

Some aspects of the foraging ecology of a wintering Greylag Goose *Anser anser* population. *Juan A. Amat* 74

Variation in the abundance of Blackcaps (*Sylvia atricapilla*) wintering in an Olive (*Olea europaea*) orchard in southern Spain. *M. Rodriguez de los Santos, M. Cuadrado and S. Arjona* 81

The influence of food availability and competition on the use of a feeding site by Herring Gulls *Larus argentatus*. *P. Monaghan, N.B. Metcalfe and M.H. Hansell* 87

Changes in the gull populations of SW Wales. *S.J. Sutcliffe* 91

Factors affecting the length of the breeding cycle and the frequency of nest attendance by Grey Herons *Ardea cinerea*. *Janine van Vessem and Dirk Draulans* 98

Breeding production of Dark-bellied Brent Geese *Branta bernicla bernicla* in relation to lemming cycles. *R.W. Summers* 105

Habitat and its influence on pairing in the Sedge Warbler *Acrocephalus schoenobaenus*. *N.M. Shennan* 109

The distribution, breeding and diet of Ravens *Corvus corax* in Shetland. *P.J. Ewins, J.N. Dymond and M. Marquiss* 110

The filoplumes of the Manx Shearwater *Puffinus puffinus*. *Paul C. James* 117

The Mute Swan *Cygnus olor* in Britain 1983. *M.A. Ogilvie* 121

The diet of moulting Dippers *Cinclus cinclus* in the catchment of the Welsh River Wye. *R.P. Smith and S.J. Ormerod* 138

A graphical method to determine the ordering of moult, illustrated with data from the Blackshouldered Kite *Elanus caeruleus*. *L.G. Underhill* 140

Review 144

Volume 33 · Part 3 · November 1986

An analysis of weight changes in the Mute Swan *Cygnus olor*. *P.J. Bacon and A.E. Coleman* 145

The use of different stages of a secondary succession by birds. *T.R.E. Southwood, V.K. Brown, P.M. Reader and E.E. Green* 159

The relative importance of invertebrates and barley in the diet of Starlings *Sturnus vulgaris*. *C.J. Feare and N. McGinnity* 164

Time spent at the colony by male and female Guillemots *Uria aalge* and Razorbills *Alca torda*. *S. Wanless and M.P. Harris* 168

Breeding by Hen Harriers *Circus cyaneus* on restocked sites in upland forests. *S.J. Petty and D. Anderson* 177

Raven *Corvus corax* populations in two upland regions of north Wales. *P.J. Dare* 179

The diet of Ravens *Corvus corax* in Orkney. *M. Marquiss and C.J. Booth* 190

The effects of poisoning by alpha-chloralose on the breeding success of a colony of Jackdaws *Corvus monedula* in Perthshire. *M.C. Chesney* 196

The recent decline of the Corncrake *Crex crex* on the Isle of Canna. *R.L. Swann* 201

Postnuptial moult in a Belgian population of Nuthatches *Sitta europaea*. *E. Matthysen* 206

The habitat and activity of Common Sandpipers *Actitis hypoleucos* breeding by upland rivers. *D.W. Yalden* 214

Communal roosting by Robins *Erithacus rubecula*. *D. Harper* 223
